## Product Description

### Product Description:

Full Lace Human Hair Wigs are designed to provide maximum comfort and natural look. Made with the finest quality human hair, these wigs have a full lace construction that is designed to let your scalp breathe while providing a secure fit. The knots are securely bleached, single or double knotted to ensure the wig won't slip. The lace color is available in transparent, light brown, medium brown or dark brown to match your skin tone. The elastic band provides extra support for a secure fit. Color options are available in both natural color and colored for a more customized look.

These full lace wigs are perfect for anyone looking for a durable and stylish hairpiece. They are ideal for mill pinion gears, ore grinding mill and ore grinding mill parts. With the highest quality human hair, these full lace wigs are designed to last for years with proper care. Whether you are looking for a natural look or a more vibrant color, these full lace human hair wigs are the perfect addition to your style.
